

REMARKS

Reconsideration and removal of the grounds for rejection are respectfully requested. Claims 1-4 were in the application, claim 3 has been cancelled. The original abstract has been cancelled, and a new abstract which does not use "means" or "said" has been substituted therefore.

The Examiner indicated that 1, 2 and 4 were allowed. Claim 3 has been cancelled, thereby placing the application in condition for allowance.

Based on the above amendment and remarks, favorable consideration and allowance of the application are respectfully requested. However should the examiner believe that direct contact with the applicant's attorney would advance the prosecution of the application, the examiner is invited to telephone the undersigned at the number given below.

Respectfully submitted,
